

The logo for AIBEN features the word in a bold, sans-serif font. The 'A' is a light grey color, while the 'IBEN' is a vibrant blue. A thick, red, curved swoosh line starts from the left, passes behind the 'A', and then curves over the top of the 'IBEN' letters, ending on the right side of the frame. The background is a digital rendering of a modern, multi-story residential building with large glass windows and red architectural accents. Several palm trees are scattered around the building, and a few cars are parked in the foreground. The sky is a mix of blue and purple, suggesting a sunset or sunrise. The entire image is overlaid with a semi-transparent purple geometric pattern consisting of various triangles and squares.
